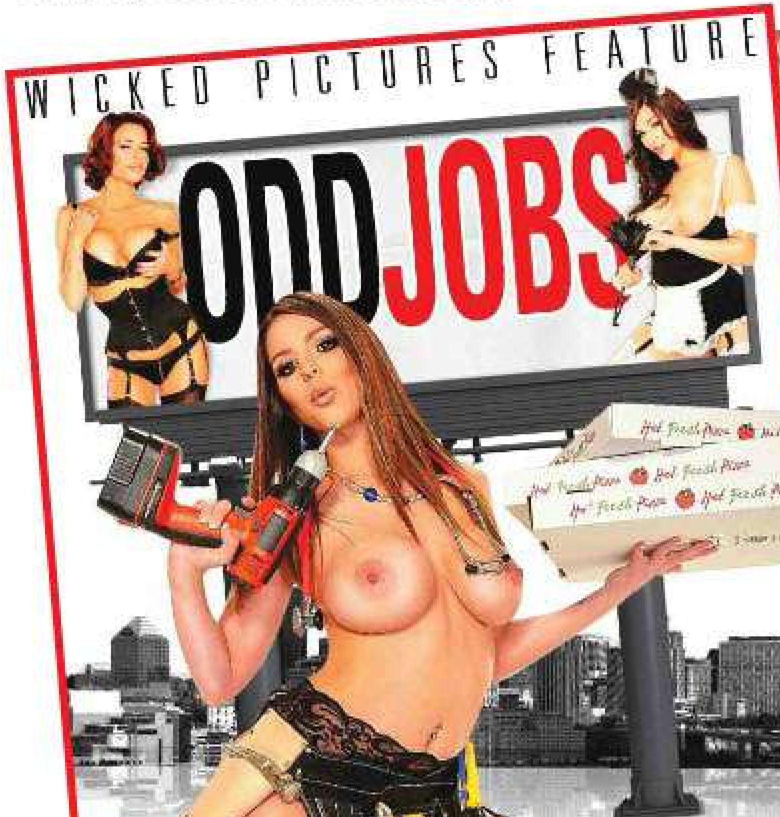
LIZZ TAYLER

BROOKLYN CHASE

KAYLYNN

Not long ago, America was like an all-you-can eat buffet. Everybody was making money hand over fist, life was ideal, and it seemed as though the fiscal bubble would never burst. Then 2008 came crashing down on us, with one economic collapse after another, causing many people to lose everything, including their jobs.

In this island of desperate measures and despair, a glimmer of hope sprung up in the San Fernando Valley, in the form of an unconventional Headhunter's office, owned, ran and operated by Brooklyn Chase, called *Odd Jobs*. It is here were Ms. Chase thinks outside of the box and turns slightly deceptive when placing people into new jobs. With a 100% track record for job placement success, she has become the envy of every other Headhunter agency and is now under investigation by Will Powers, a local authority from the Employment Administration.



34072

Today, Will plans on investigating her tactics by asking her a set list of questions and following her unconventional techniques in director Jonathan Morgan's latest cock tease for Wicked Pictures entitled *Odd Jobs*. With a stellar cast of industry hotties, a hilarious script, and plenty of quirky sexual encounters, expect your pants to tighten and your belly to ache when conventional people get suckered into very unconventional jobs.

The movie opens with Holly Michaels strolling into the employment agency in a green tank top, rainbow legwarmers and purple booty shorts, seeking a job that would best suit her unique talent for stripping on stage.

Scanning her brain and her computer for the best possible match, Brooklyn finally rises to the stems of her stiletto heels and exclaims with jubilation, "I've got the perfect job for you."

She aptly hands Holly a small bag that contains the proper attire for her new job, as well as other pertinent information. "You are going to help people organize their lives. You'll bring order to chaos," Brooklyn continues, as Holly cheers with hopeful excitement.

A few hours later, Holly, now decked out in a sexy French maid's outfit calls Brooklyn back and complains, "I'm a maid!"

Thinking fast on her feet, Brooklyn corrects her by saying, "No dear, think of yourself as a domestic cleanliness engineer."

Soon, Toni Ribas, the homeowner, is showing Holly the way he likes his home cleaned. She chooses to start up in his bedroom. In order to get herself into the proper mood, she turns on her favorite stripper music and begins bumping and grinding across the messy purple comforter. In time, her panties are off and her tits are out, as she sexily fluffs the pillows.

Angered by the loud volume of the music, Toni rushes upstairs in a huff and a puff. Once he discovers Holly humping the bed sheets, he changes his tune ands flirts, "I enjoy your style of cleaning. It's very modern."

Quickly turning on her negotiation skills, Holly gives him a rundown on the prices for her "special services". After Holly licks his ear and smashes her natural tits in his face, Toni opts for the big bang treatment. Once the deal has been set, Holly positions herself between his legs and begins polishing his cock and balls with her mouth.

From here, she takes a seat on his face and begins twerking her ass up and down like a Hip-Hop video vixen. Completely filling his face with her pretty pink parts, Toni definitely gets in a mouthful before making her squirt. Later, he does a fine job of rearranging her pussy and asshole!

Next, back at *Odd Jobs*, Brooklyn is retelling a story to Will Powers about how she found stellar employment for a former CFO of a major communications conglomerate. This quickly leads to the sight of James Deen toting a high-tech vacuum, the Suck-O-Matic 500 G, from door-to-door. With no luck so far, he happens upon Veronica Avluv's house. Answering the door in a green robe and expensive lingerie, Veronica flirts, "Come on in. Show me what you've got."

Going right into his spirited demonstration, James starts drenching her $10,000 area rug with dirt, red wine, coffee and every other thing he can get his hands on. Once he turns on the machine and starts to clean things up, we see that he's actually making things worse. In a fit of panic, James accidentally turns the machine on himself, sucking the shirt right off his body.

Liking what she sees, Veronica, the kinky cougar, attacks him with all ten claws. Soon, she begins sucking on his toes while James eats out her asshole. In time, the two switch places. Now, James is licking her smooth arches and biting her well-manicured toes while filling up her pussy full of cock in missionary position. "You feel so fucking good," he snarls, giving her all he's got.

Next, after making her squirt, James has Veronica lick her juices off the floor while he contemplates his next plan of attack. This leads to James swooping in from behind to penetrate Veronica's beefy pussy in spoon position. With explosive chemistry and plenty of pizzazz, their erotic encounter ends with James busting a nut, covering her with jizz from naval to nose.

Once the deed is done, Veronica looks to James and says, "I'll buy all of your vacuums if you come back again tomorrow!"

From here, Brooklyn recounts another success story to Will Powers about how she managed to turn Xander Corvus, a former guidance counselor and art major, into another success story by placing him into a unique job.

This leads to us seeing Xander in a mover's outfit, ready to help Lizz Tayler move from one apartment to another. Before he lifts a single box, he calls Brooklyn to complain. "I'm a mover. How does this remotely have anything to do with art history?"

"Well, you're moving artwork and posters, right?" Brooklyn interjects, followed by, "I'm approaching a tunnel. I'm going to lose cell service."

"But I called your office," Xander demands, as the phone abruptly disconnects.

Finally, Lizz comes out and shows Xander the boxes that need moving. As he goes to maneuver the first one, the bottom falls out and a slew of fat dildos and vibrators come crashing down in a colorful wave of plastic pricks.

Completely humiliated by these unfortunate turn of events, the only thing Lizz can contemplate doing is kissing Xander's lips in the hopes that he forgets. This seems to do the trick, as Xander rushes past the sea of dildos in an effort to place Lizz on the pink sofa. Once there, Lizz yanks his cock from his coveralls and begins power-throating his meatballs and stick until his complete set glistens with her warm spittle. With loads of saliva pooling from her slender lips, it becomes quite apparent that this bubbly co-ed has experienced a cock or two in her days.

Ready to take things to the next level, Xander intertwines their legs like pieces of rope until they are contorted into the scissors

position. Holding on tightly to her hips, Xander begins slamming his cock in and out of her hole as she begins squirming around the sofa like a fish out of water. "Get it! Get it!" she charges, urging Xander to go harder, faster and deeper.

From here, Xander disconnects his cock from her pussy and continues in doggie position. With a well-crafted arch in her back and her long brown hair swishing from side to side, Lizz looks ideal when taking his cock from behind. It's certainly a hot display!

Back at *Odd Jobs*, Brooklyn devises a great idea that would land Will Powers, the Employment Administration employee, a six-figure income in the entertainment industry. Intrigued by her proposal, Will decides to hear more about her incredible offer.

"We'll have to make you an audition tape," she smiles, thrusting her body toward him until her DD titties smash into his chest and their lips lock. Unable to resist her sexual advances, Will goes with the flow. Soon, the two are intertwined in the throes of passion and Will is securing her right foot onto her desk in standing doggie. Taking his position behind her, Will stuffs her pussy full of cock, scratching his nails up and down the length of her black stockings in the process. With her big tits in full swing, it's a complete surprise that Brooklyn's eyes didn't blacken as a result of Will's hardcore action.

Wanting to take matters into her own hands, Brooklyn later takes a seat in reverse cowgirl position, giving Morgan's lens an unobstructed view of her bangin' bazookas and her beautiful, hairless honey hole. With complete concentration, Brooklyn rides the length of his pole up and down until her pussy lips begin to quiver, signaling the onslaught of her first orgasmic release. In time, their ride turns even more slippery and wet when Brooklyn's beaver broth begins leaking down her legs in a steady rush.

Once the deed is done, Brooklyn hands Will a business card and the audition tape, telling him to hurry over to the company and not to forget to tell them that he was sent over by *Odd Jobs*. The moment Will arrives; you won't believe what type of employment Brooklyn has arranged for him. It's hilarious!

The moment this hysterical conclusion is revealed, our time on set ends. Although we had a terrific day, we're happy to report that there's still an additional scene starring Kaylynn and Mick Blue that is yet to unfold. So, if you've recently lost your job and are down in the dumps, *Odd Jobs* may be exactly what you need to help cheer you up. After all, we believe everyone deserves a raise!

Cock And A Hard Place

34076

On her last business trip to the Midwest, the youngest CEO in her company's history, Vanda was bored out of her fucking mind. The next time though, the young go-getter sure made things fun. She picked up two studs at the hotel bar, took them up to her room and had them drill her pussy and asshole like it was an oil well. They filled her up eight ways 'til Sunday (it being late Saturday night) and spewed their spuzz deep in her awaiting throat. So that's how you get to the top.

Liverpudlian Labe And Load Licker!

BRITISH BANGER EATS GASH, GETS SPLASHED BY SPUZZ, SPILLS ON THE INS AND OUTS OF THE JIZZ BIZ, 11-INCH MONSTER COCKS AND HOW YOU CAN FUCK HER PUSSY TONIGHT!

Interview by Emma Edwards

After working in an office setting for several years, what made you decide to try your hand at a career in adult entertainment?
I was really bored working in an office setting and I had just ended a relationship. At the time, I was searching for an exciting new life. Then one evening, I was watching an adult movie with a friend of mine and the idea came to me, "Hey, I can do that." I thought about it for a while and then decided that porn was exactly what I wanted to do. From there, I had some really nice pictures taken of myself and researched the internet market and sent those pictures out to production companies. Quickly, I was invited to London where they shot me. This all happened in 2008.

So, it seems as though your life was at a crossroads. We're so glad you had the courage to take a different path.
Yes, thankfully it has worked out extremely well.

Once you affiliated yourself with the industry, was the porn experience all that you expected it to be?
Well, I didn't go into it with too many expectations. I knew it would be different then what you see on the camera. I tried to have an open mind. I just allowed it all to unfold.

Where there any differences or surprises you weren't expecting?
Going on a porn set for the first time was a bit surprising. There were so many new things to see, experience and learn about. In porn, we're learning new things all the time. What seems to be really normal to me now, was so new and foreign to me at the time. I was so nervous in the beginning.

Can you share some details with us regarding your first professional scene?
The first scene that I shot was with a guy named Danny D, who had an eleven-inch cock. That was a surprise! That was a BIG surprise! In fact, a friend of mine and I got out a measuring tape just so we could get the accurate length of it. Yes, he was eleven-inches! He played the role of a handyman that came out to fix my shower. Of course, he ended up cleaning out my pipes instead. It was a hot scene.

Being sexually active with people outside of porn, it isn't likely to run across many that have uncoiling, eleven-inch cocks, is it?
No, it's not likely to run into men with cocks like that. Actually, before I knew what he had in his pants, I was sitting in the make-up chair, getting my hair and make-up done when he came in. Excited for our scene, he began working with himself. When I turned around, his huge cock was in my face. I thought to myself, "Oh, my God!" It was so funny. *(laughing)*

Another thing about porn productions that I personally found to be quite surprising was the amount of people it takes to create a single movie.
Yes, but that also depends on the type of set you are on. Some are larger and require more crew than others. For my own website, www.TanyaTate.com, sometimes, it's just me and my cameraman. As my site grew, the crew grew as well, to maybe having a make-up artist and an assistant too. When you shoot for big companies like Digital Playground and Wicked Pictures, the crew is large. There's a person for everything, even a person to help wipe up, a person to hold the camera, a person to hold the mike, a person to hold the script, and so on.

Do you find that you are more comfortable working on a smaller, more intimate set, or a larger, full-scale production?
At this point, it doesn't really matter to me. Whether large or small, it is always a professional environment. I'm fine either way. One time, I shot a movie where a guy actually brought one of his mates along with him

on set. When the camera wasn't rolling, his mate was a total jerk and was trying to hit on all the girls, saying stuff like, "Hey, can I take you out?" That wasn't cool. That wasn't cool at all. This is our place of work. Finally, I had to say something. He was making me feel so uncomfortable. It wasn't cool having this creepy man hitting on everybody while we were trying to make a movie.

Do you think there is a certain misconception that some people may have about you because of what you do for a living?
Oh, yeah! I get it all the time. It's a real turn on to imagine the fans fantasizing about having sex with me at home. In fact, most fans would love to have sex with their favorite porn star. It's when the guys try to turn that fantasy into reality that things get tricky. I do a lot of fan shows and have the privilege of meeting loads of fans. However, some fans can't take no for an answer. Some fans show up and ask to have sex with me or ask me out on a date. If I politely decline, they say, "Alright then. Fuck you!" or, "I don't need girls like you. I have lots of girls." If I say no, other people start complaining and asking why. It makes me feel so uncomfortable. I say to myself, "Well, I tried my best to be polite." Just because I am a porn star doesn't meet that I am open to fucking anybody. But, if they insist on fucking me, I tell them to go to www.FuckTanya.com. There, they can purchase my Fleshlight toy, which is an exact replica of my pussy.

What is your preferred time of day to have sex?
It all depends on my mood. Sometimes in the morning, it's fun to get off and start your day by fooling around in the shower. If I've been web-camming all day then my sex drive is going to be high. I'll have to take a break in the middle and take care of business. Really, it all depends on my mood.

If you could fuck anybody on the planet, who would it be?
What a curious question. Let me think about that one. Actually, I was asked this question once before but I forget what I said. Oh, I remember now. My answer was Sheamus, the Irish wrestler that performs for the WWE. I always tweet about him when he's on the tellie. He's such a big man. I could just imagine him throwing me around the room. How extraordinary!

Of all the porn stars you've worked with, who have you shared the strongest sexual chemistry with?
James Deen is an excellent performer. He puts his all into every one of his scenes. But, the best sexual chemistry is going to come from a guy that is really into me. That is the best feeling and the best scenario. I've also done great scenes with Chris Johnson and Xander Corvus. The industry is full of hot guys. As far as girls are concerned, I adore working with India Summer and Julia Ann. Those women are spectacular. Celeste Star is another girl that is high up on my list, as is Lea Lexis. After my scene with Lea, we couldn't stop kissing each other. I'm spoiled for choice.

What are some of the perks of being an A-List porn star?
Aside from having loads of hot sex? I have developed lots of great friends and am able to reach out to them through Facebook, Twitter, and other social media sites. Even though the relationships are virtual, I've still managed to become really good friends with people from around the world. That means a lot to me. Since my fans know I love comic books, they often send me great copies of comics or statues of my favorite characters. The presents are really sweet and appreciated. If fans send me lingerie, I take pictures of myself in it and send it to them. My position in porn makes me feel happy and very grateful.

What are some of your guilty pleasures?
I love white chocolate cookies. They are so delicious. I heat them up in the microwave and eat them with vanilla ice cream. I also enjoy eating cupcakes. I wish that sweets weren't so bad for you. After eating those types of goodies, I really need to work out even harder at the gym.

As one of the most beloved and respected MILF/Cougar performers in the industry today, what do you think it is about this category of women that drives men wild?
The idea of bedding a hot, experienced, older woman, who knows what she wants is an unbeatable combination. This type of woman is in total control of her sexuality. I have a lot of fans that request fantasy role-playing where they'd like me to play the role of a hot mum. These guys want to be seduced by me. It's the image of a hotter, older woman who is out there getting what she wants, how she wants it, that drives men crazy.

What do you consider your sexiest physical attribute?
Many fans have commented on my boobs, my legs and my feet. I keep my feet and hands up and have a pedicure and a manicure done every two weeks. I'm always dolled up from head to toe. My fans love to see me in stockings, showing off my long legs. Can I pick all three?

Do you enjoy working with the younger talent, or do you prefer fucking the seasoned players?
Again, it depends on my mood. Sometimes it's nice to feel like a kid in a candy shop with so many yummy possibilities to choose from. The seasoned players certainly know what to do, so you know you are going to get off and have a great time. As far as the newbies are concerned, sometimes it's fun being more aggressive with them and teaching them how things are done. They just look at me with their bright eyes and say, "Okay, Tanya."

Do you like to dominate, or be dominated?
I'm not really a submissive person. But, if I'm working with a performer like James Deen, I just know I'm going to be thrown around. With him, there's no choice. He's fantastic!

Are you a practicing cougar on and off camera?
(laughing) I bet they all want to know that, don't they? I'll have to say that I think that younger men certainly have a lot of sexual stamina and they can just go, go, go. They are definitely a lot of fun. We'll just leave it at that. *(laughing)*

Are you known for bringing your work home with you?
This sounds like another question coming directly from the mouth of a fan, is it?

Yes, it is! Enquiring minds want to know the ins and outs of the great, Tanya Tate.
(laughing) Since I web cam at home, I will say, "Yes!"

Do you have any special talents?
Well, I am really good at dirty talking. I love dirty talking to the camera, with my sexy accent. Men love my accent. And, I used to drive a motor bike. I would ride it around and it was hot having so much power between my legs. Since I wasn't riding it around as much as I would have liked to, I sold it and bought myself a pair of boobs instead. I think my fans would all agree that I made a great choice!

The Greatest XXX Secret Of All Time FINALLY REVEALED!

YOU CAN FUCK

Sick and tired of jerking off to porn movies? Frustrated that porn studs are getting all these hot babes instead of you? Want to get some of that hot porno pussy yourself? Well, now you *CAN! HERE'S HOW!*

There are no women on planet Earth that are more desired, that more men want to fuck, than porn stars. And at the same time, there are no women who are less fucked, by those who lust after them, than porn stars. It's quite the cunt-undrum, but facts are facts. And why not? Porn actresses now exist in greater numbers than at any time before in hardcore history, they are better looking than ever before, and with porn producers pushing the erotic envelope further and further every day—porn starlets are also the most sexually skilled chicks in the world. At the same time, thanks to the Internet, more people can watch and drool over them than ever before. So every red-blooded horny guy on the planet wants them, but almost no one actually gets them—beyond their lusty on-DVD images that is. Ask all of your friends, relatives and neighbors—have any of them ever fucked a porn star? They'll all say "no." But guess what? You can, and they can, no problem! You can now bang your favorite porn actress almost as easily as buying her latest X-rated feature fuck flick from the local porn store—you just have to know how to go about it!

Yes, the incredible irony is, porn stars can be fucked by the "average Joe"—by you! Not all of them of course, but, believe it or not, most of them! And when you stop stroking your dong long enough to think about it, it actually makes perfect sense. The women who perform in XXX movies are women who are totally cool with the idea of sucking strange cock, taking dicks they have just "met" up their cunts and asses, letting gangs of guys screw the crap out of them at the snap of a finger, and having sex with guys who are often old, fat, bald, boring and ugly. So why won't they do the

likes of you? Most do this for money, although relatively small amounts, and some are as sexually whacked-out off-camera as on—either way, the point remains the same, that's a lot of hot twat up for grabs whether for bucks or laughs, or both. And that means that you can be in the "game" to score a porn star without having to be one yourself, without being rich, and without being good-looking or "cool." Sound like you? Good! Then read on desperate horndogs, your sex life is about to change big time!

Porn Stars Working At Legal Brothels

As everyone knows the simplest and easiest way to get high-quality pussy is to simply pay for it. And at dozens of legal brothels in certain counties in western Nevada, you can do just that. It's close to fifteen years ago now that the Moonlite Bunny Ranch (www.BunnyRanch.com) located just outside Carson City, Nevada introduced the first high-profile porn star to work as a legal hooker—the legendary porner Sunset Thomas. Since then hundreds of adult starlets, both openly and under-the-radar have been working at the Bunny Ranch and other similar prostitutional establishments in the Silver State. Among those who have divided their time between making porn in Los Angeles and then flying up to Nevada to legally hook are; Ruby, Alexis Fire, Sunny Lane, Kate Frost, Summer Verona, Capri Cameron, Lisa Sparxx, Rayveness, Sophia Ferrari, Summer Luv, Tiana Rose, Annie Anderson, Bridget The Midget, Cindy Crawford, Felecia Ryder, Mika Tan and zillions of others. And of course even more porners have worked at legal hook-houses, and cunt-inue to do so part and full-time, but don't advertise the fact, even on the brothel

PORN INDUSTRY INSIDERS, EXPERTS, JOURNALISTS AND CRITICS ALL CONCUR THAT UP TO 90% OR MORE OF ALL PRO-PORN GIRLS ARE "AVAILABLE" TO "HANG OUT" WITH THEIR PORN FANS OFF-CAMERA.

websites (some porn stars don't want it known that they can be fucked off-camera as well as on). Want to fuck your favorite porn star? Just check out the websites of all the Nevada whorehouses at a site such as (http://en.wikipedia.org/wiki/List_of_brothels_in_Nevada). While the Moonlite Bunny Ranch is the most famous for featuring porn babes, adult starlets can be found sprinkled throughout a number of the brothels at any given time. And even if you don't see your most desired porn gal offered for sale—Sunset Thomas, for example is unfortunately "retired" from the escort biz—you can just show up and see who's available, you might just be pleasantly surprised to see her there anyway! PS: The same "situation" with legal brothels exists overseas in many European countries, with major-name Euro porn babes hooking at local brothels in their off-hours—tracking down those whore-hubs and X-movie-chicks will take a bit more online research on your part, but it can be accomplished as well.

Online Websites To Greet And "Meat" Adult Stars

Porn industry insiders, experts, journalists and critics all concur that up to 90% or more of all pro-porn girls are "available" to "hang out" with their porn fans off-camera. Now, what exactly happens during your "hang out" time with your favorite porn star, and how much your "expenses" will run, will vary depending on a variety of factors. Bottom line? Want to fuck your favorite porn star? Proceed with caution. But the world wide web is awash with websites advertising the "hanging out" opportunities that exist for the XXX industry's biggest names. Most of the porners are based in Los Angeles—the international epicenter of adult movie production—which makes that also obviously the mecca for greeting and "meating," but slews of porno stars live outside LA as well, and lots more literally travel from city-to-city to strip dance, make PR appearances and simply to get to "know" their fans better. A number of websites even exist where porn fans write actual "reviews" of their quality time spent with their most adored porners—so those similarly-interested can have some idea of what type of "experience" they will ultimately have.

Become A Porno "Pimp" To A Sex Starlet

There's a derogatory slang term used in inside-porn biz circles to refer to the boyfriends/husbands who sometimes act as so-called "managers" to porn babes, hanging around their girls wherever they go—behind-their-backs they are called "suitcase pimps". Another term to call them though, could be "the luckiest guys on earth". While such dudes may indeed in fact sometimes be little more than moocher-jobless-bums who have nothing better to do than play "personal assistant" to their sucks-for-bucks babe, in fact they enjoy one of the most important perks of the position—which is, one-way-or-another, getting to fuck a lot of the other porn chickies they meet along the way. How? On set when you are busying unpacking your gal's panties you get to chat up all her co-stars. After a movie is shot if your babe hits it off with another porner, she can invite her home for a three-some with you. Accompanying your porno-meal ticket to porn industry parties, receptions, production houses, casting calls, strip clubs, etc. will naturally put you in direct contact with sex biz bitches to hook up with, you'll be able to connect with as many as you like. Want to fuck your favorite porn star? Take a list of all the licensed porn casting agencies on a porn industry website such as www.TheFloatingWorld.com and see what quality-type poon you will have to bring in. Then convince your wife, girlfriend, or any girl 18 years-of-age and over to go with you to Los Angeles to become a porn actress, with you acting as her manager, security guard, driver etc—"suitcase pimp". Once she starts working making X-vids, you can start "working" on bedding all the porn stars you've been jerking off to for years on screen. Now you can get the same ones—in the flesh.

Be Your Own "Porn Stud"

As an of-age male you can try to get work as a porn stud in XXX tapes yourself, but let's face it, most of you don't want to do that, and it's such a long shot anyway—no pun intended, forget it.

It is an almost impossible task for a single man to become a successful porn actor—no matter how big your dick is, or how studly you think you are, it's simply not a realistic employment option—there's too much competition, and too few jobs. One exception. If you have a very good-looking girl that producers and directors are just dying to shoot, and your girl insists she won't fuck anyone on-camera but you, they will often let you try. Most guys fail and that is that (that's when you go to "Plan B" and become a "suitcase pimp"—see above). But if you do wind up being one of those few that can get it hard, up, and off on cue, with dozens of people watching under hot studio lamps—then boom, you are in. Once they see you can fuck your girlfriend on camera without a problem, you will quickly start to get offers to fuck other porn stars on camera, and get paid to boot! If though, like most men, you don't have an exceptional-looking toots to latch on to, that's willing to do X-rated stuff, there are still a number of ways you can fuck porn girls on-screen, and sometimes even get paid for it. Want to fuck your favorite porn star? First, a number of porn-pushers periodically put out various forms of gang-bang, bukkake, orgy and group-grope sex features that need dozens if not 100 or more male actors on-set to have some kind of sex with one or more girls. And to reach those numbers they recruit men from the general public to participate. JM Productions (www.JerkOffZone.com) of Los Angeles is one of the most well-known producers of bukkake and mass-sex tapes, but there are a number of similiar porn producers you can track down online. If you are not into "crowds," and would rather do your on-screen screwing in a more "intimate" setting, several porn companies organize big PR campaigns around putting "regular fans" into their porn movies—often in the form of a "contest" where the winner gets into a sex vid. Immoral Productions of LA for example does a regular X-vid series titled "Fuck A Fan", where you can actually sign-up online at www.FuckAFan.com to bang a porner. Some websites exist soley to promote the idea of average guys banging porn stars, such as www.BeTheMask.com where the "winners" get to fuck on-camera wearing a bizarre mask while doing the rutting (only the guys are masked, the porn stars are un-masked), and of course the resulting odd-looking pictures go up on the site. The best way to stay "on top" of what "opportunities" are available for amateur porn males is to read adult industry websites such as www.avn.com, www.adultfyi.com and www.lukeisback.com on a regular basis.

Regardless of which "direction" you decide to take enroute to dicking the porn diva of your dreams, the most important thing to remember, is that one way or another, it can be done. Want to fuck your favorite porn star? Then just get off your ass and do it!

DIRTY ROTTEN MOTHER FUCKERS 7 ⚡⚡⚡⚡

(Jules Jordan Video) Starring: Ava Addams, India Summer, Joslyn James, Cherie DeVille, Britney Shannon.

Stuffed with five of the sexiest seasoned players in the adult industry, these decadent divas are quick to prove that like fine wine, they are only getting better with age. Nearly flawless from start to finish, this movie is a must-see for mommy lovers everywhere! Ava Addams begins by taking Mick Blue out for a test drive in the opening scene. After burring his face and dick in her cleavage, he bends her over and makes her tits sway in doggie position. Next, Manuel Ferrara, the home repairman, interrupts Britney Shannon's web-camming session to tell her he is a huge fan. Intrigued by his good looks, she slams his cock between her tonsils before allowing him access into her pink and her stink. Dirty! From here, we find Lexington Steele and Joslyn James carrying on a torrid love affair once her husband leaves for work. With palpable energy and a deep-set pussy and asshole, Joslyn is thoroughly exercised and excavated. Afterwards, Cherie DeVille nurses Erik Everhard back to health by implementing her unique form of TLC. Devouring him from top to bottom, Cherie works out every one of his kinks and ailments, ending their session with a face full of cum. Finally, in what is a rare treat, India Summer is hammered and handled by Karlo Karrera and Ramon Nomar when they splice her holes simultaneously. The effects are sensational!

HOT FUCKS! ⚡⚡⚡⚡

(Jonni Darkko/Evil Angel) Starring: Asa Akira, Adrianna Luna, Gia DiMarco, London Keyes, Yurizan Beltran, Vicki Chase.

Delivering scalding sex scenes from Darkko's erotic archives, *Hot Fucks!* is a compilation project that features six of the hottest scenes he's ever shot, starring some of porn's reigning starlets. Although compilation projects aren't usually reviewed, this project is exceptional, offering porn fans plenty of bang for their buck! Adrianna Luna begins by getting her chocolate and vanilla swirl on alongside John Strong and Prince Yahshua. Taking turns stuffing her pussy and face to full capacity, Adrianna proves that her multitasking skills are in top form. Next, Asa Akira stuffs her anus full of fingers, prepping her hole for Mark Ashley. Soon, he's nine-inches up her ass, as she pounds her clit with a vibrator. When finished nailing her from front to back, more dudes come in to unload onto her face. Hot! Once finished, Mark Ashley takes another stab at Gia DiMarco, Yurizan Beltran and Vicki Chase, in three separate scenes, rendering each girl a sloppy wet mess once their juices begin to flow and their pussies are punctured. Pounding each princess to literal pulp, these scenes are pulsing with plenty of energy. Although incredible, the real piece de resistance of this presentation comes in the end when Nacho Vidal literally waxes the floor with London Keyes' face. Energetic from start to finish, this scene expertly demonstrates extreme forms of hardcore ass fucking!

TWERKING ⚡⚡⚡

(Third Degree Films) Starring: Anikka Albrite, Belle Noire, Rilynn Rae, Abby Cross, Mischa Brooks.

Capturing the booty-bouncing craze that is currently sweeping the nation, director Mike Quasar has gathered five bootylicious babes in a release that is filled with asses in action and plenty of ball draining sex. Belle Noire begins by making her booty clap and quake for Jessy Jones. After coming up to give her little booty a smack, Jessy is rewarded with a great blowjob, followed by a spirited ride in cowgirl. Once finished, Rilynn Rae takes over by demonstrating superior twerking skills. Unable to resist the hypnotic effect of her booty in motion, Mark Wood wedges his face between her crack for a little lick and tickle session. Later still, he brings her to pop in a multitude of well-covered positions. Abby Cross continues the twerking craze in the following scene. Coming in to wrangle her clapping caboose, Logan Pierce is happy with the ass he has to work with. Fucking her face and stuffing her full, Logan shows Abby how much he's enjoyed her butt-bouncing performance. From here, we find Mischa Brooks delivering stellar bouts of booty bounce for John Strong. He rewards her efforts by allowing her to stuff her pussy silly, doing his best work in doggie position. Anikka Albrite concludes the show by demonstrating incredible twerking skills of her own, much to the dick delight of her on and off-screen lover, Mick Blue. Hot!

BREAKIN' 'EM IN 19 ⚡⚡⚡

(Vince Vouyer Unleashed) **Starring: Riley Reid, Juelz Ventura, Casey Cumz, Olivia Blu, Angelina Mylee.**

Although this popular series used to be all about inducting new starlets into the jizz biz, this volume seems to have fallen off track and off formula. Instead of delivering new up 'n comers, this particular edition stars girls that have already been "broken in". Had these scenes been compiled into a different movie, it may have been better received and reviewed. However, the scenes are hot, just not on par with what is expected for this particular type of series. Leading the pack, Juelz Ventura ignites in her scene with Jovan Jordan. After a sexy interview session, Juelz wraps her lips around Jovan's cock and is an active rider throughout. Juelz's enthusiasm for BBC proves second to none. Next, Olivia Blu, a sassy brunette, seduces Vince Vouyer with her natural pair of 36-DD tits and a decent blowjob. Although she's a bit tame, she does look great in reverse cowgirl position. Next, Casey Cums excels in the "*Breakin' 'Em In*" challenge of deep-throating Jovan Jordan. With incredible energy and a skillful mouth, she does just that! Claiming Angelina Mylee all for himself, Vince Vouyer practically devours her in the following encounter, perfectly demonstrating what this movie should be all about. In the end, Riley Reid proves why her name is on everybody's lips when delivering excellent oral and vaginal skills to black swordsman, Jovan Jordan. Wow!

ADELA

Practice Makes Perfect

34074

The secret to any successful venture is preparation. Adela is practicing to make you cum as she peels her panties away and crams her cunny with a nice thick dildo, then slowly slips a dainty finger up her asshole. So just in case you meet up and you want to mount her muff and tap at her backdoor, Adela is more than ready for anything. Good work!

SOPHIE

Hotel Hole Humping

Fresh out of the shower and just about ready to get dressed for the wedding she and her man were attending, Sophie sure looked good. Good enough to eat, fuck and cum all over. So, even though she was minutes away from being ready to go, Matt couldn't wait to bone her sweet cunt and shoot his wad all over her tits and tongue. Shower up again, Sophie; you're running late!
